

HEAVY DUTY JAW PLATES

POWERSCREEN HAS DEVELOPED NEW HEAVY DUTY FIXED JAW PLATES TO IMPROVE WEAR LIFE

Features

- Powerscreen wear parts are created specifically for Powerscreen machines based upon many years of application knowledge and experience
- All Powerscreen wear parts come with OEM reliability guaranteed from Powerscreen design
- Only genuine Powerscreen parts are covered by Powerscreen parts warranty
- Powerscreen HD fixed jaw profile is designed to improve wear life
- Terex crown is cast onto the front profile of the jaw

Benefits

- Increases machine uptime
- Reduces the number of changes required for the fixed jaw
- Improves cost per tonne
- Primarily designed to work with the quarry tooth liner. Can work with any profile of swing jaw
- Terex crown in the casting makes it easier to identify genuine parts
- Field testing has seen an increase in wear life of over 30% compared to the equivalent standard Powerscreen liner

MACHINE	DESCRIPTION	18%	22%
Premiertrak 400	HD Fixed Jaw	CW005-167-MN180	CW005-167-MN220
Premiertrak 600	HD Fixed Jaw	CW021-007-MN180	CW021-007-MN220
Premiertrak 750	HD Fixed Jaw	CW020-007-MN180	CW020-001-MN220

PLEASE BE AWARE THAT CLOSE SIDE SETTING ON THE MACHINE WILL BE AFFECTED WITH THE NEW JAW PROFILE AS THE WAY OF MEASURING HAS ALTERED. NEW SETTINGS AND INSTRUCTION ON MEASURING THE SETTING ARE CONFIRMED IN THE TECHNICAL DOCUMENTATION WHICH IS AVAILABLE ON THE DEALER PORTAL.
